<OPEN INVITE>

Agenda Details

Why might we want an education working group?

Tooling For Collaboration

Internal Education

Open Research & Academic Research & R&D

External Education

Possibility of creating a web based app,

WG Collabs: Marketing, R&D (Dev)

website or webpage for curating educational materials (internal or external).

Presenting Educational Information

Creating a library of materials with a UI for easy information retrieval

Getting organised & working effectively, together

Roles & Responsibilities

ADAO

Agenda Checklist

All of the following points are open to discussion. Let's ensure we cover everything.

Group Member Introductions :)

Discussion on: Getting organised & working effectively.

DICK___CHUNK: Is this a programme to simply pilot? Or are we considering offering consultancy in addition to engineering / development services?

Bobthebob: Why Might We Want An Educational WG?

Bobthebob: Opening discussion on Academic research & any other related comments.

Discussion: Open Research + R&D.

Discussion on: Internal & External Educational Resources.

Discussion: How might we want to distribute educational resources?

Dilworth: Would it be appropriate to use a webpage, website or web app? What kind of technologies would we opt to use?

Discussion: UI Design, where could we draw UI resources from? If yes to above. Note: this is something Dilworth can tackle, depending on the complexity of the UI.

Dilworth: Ways in which the working groups could collaborate.

Discussion on: Roles & Responsibilities.

Notes: Does anybody have anything else to add?

General Notes

To be filled after the meeting. Be sure to take note of anything that was not covered, pushing it to next meeting.
